

1 Recovered Memory #1:
2 "Subdued Ceremony"

3
4 Princess Zelda

5
6 Hero of Hyrule, chosen by the sword
7 that seals the darkness...

8
9 You have shown unflinching bravery and
10 skill in the face of darkness and adversity.

11
12 And have proven yourself worthy of
13 the blessings of the Goddess Hylia.

14
15 Whether skyward bound, adrift in time, or steeped
16 in the glowing embers of twilight...

17
18 The sacred blade is forever
19 bound to the soul of the Hero.

20
21 We pray for your protection...and we hope that—
22
23 that the two of you will grow stronger
24 together, as one.

25
26 [...]

27
28 Forged in the long-distant past, the sword
29 that seals the darkness...

30
31 Guardian of Hyrule, ancient steel, forever
32 bound to the hero.

33
34 In the name of Goddess Hylia, I bless you
35 and your chosen hero.

36
37 Over the seas of time and distance, when we need
38 the golden power of the Goddess...

39
40 Our hope rests in you, to be forever by the
41 hero's side.

42
43 Again we pray...that the two of you will grow
44 stronger...and be together as one.

45
46 Daruk

47
48 Gee, this is uplifting...

49
50 She's making it sound like we already lost.

51
52 Revali

53
54 Wasn't this your idea?

55
56 You're the one who wanted to designate the
57 appointed knight with all the ceremonial pomp,
58 grandeur, and nonsense we could muster!

59
60 And if you ask me, the whole thing does
61 seem to be overkill.

62
63 I think I'm on the same page as the princess
64 regarding...this boy.

65
66 Urbosa

Oh, give it a rest.

That boy is a living reminder of her own failures.

Well, at least that's how the princess sees him.
