

1 Recovered Memory #12:  
2 "Father and Daughter"

3  
4 Princess Zelda

5  
6 Incredible...

7  
8 We're at a point now where we can  
9 actually control them.

10  
11 At the current rate, we'll soon know all we need  
12 to know about the Guardians and the Divine Beasts!

13  
14 And should Ganon ever show itself again,  
15 we'll be well positioned to defend ourselves.

16  
17 King Rhoam

18  
19 What are you doing out here, Zelda?

20  
21 Princess Zelda

22  
23 I...

24  
25 I was assessing the results of the  
26 experiment with the Guardians.

27  
28 These pieces of ancient technology could be  
29 quite useful against the-

30  
31 King Rhoam

32  
33 I know that.

34  
35 They are essential to Hyrule's future, and our  
36 research demands that we keep a close eye on them.

37  
38 However, as the princess, you currently have a  
39 crucial unfulfilled responsibility to your kingdom.

40  
41 Let me ask you once more...

42  
43 When will you stop treating this as some  
44 sort of childish game?

45  
46 Princess Zelda

47  
48 I'm doing everything I can.

49  
50 I'll have you know that I just recently returned from  
51 the Spring of Courage where I offered every ounce of  
52 my prayers to the Goddess-

53  
54 King Rhoam

55  
56 And now you are here wasting your time.

57  
58 You need to be dedicating every moment  
59 you have to your training.

60  
61 You must be single-minded in unlocking the  
62 power that will seal Calamity Ganon away.

63  
64 Princess Zelda

65  
66 I already am.

67  
68 Don't you see—there's nothing more I can do!  
69  
70 My hope is... My hope is that you—  
71  
72 That you'll allow me to contribute here  
73 in whatever way I can.  
74

75 King Rhoam

76  
77 No more excuses, Zelda!  
78  
79 Stop running away from your duty.  
80  
81 As the king, I forbid you to have anything to do with  
82 these machines from this moment on  
83  
84 and command you to focus on your training.  
85  
86 Do you know how the gossip mongers  
87 refer to you?  
88  
89 They are out there at this moment whispering  
90 amongst themselves...  
91  
92 that you are the heir to a throne of nothing...  
93  
94 nothing but failure.  
95  
96 It is woven into your destiny  
97 that you prove them wrong.  
98  
99 Do you understand?

100 Princess Zelda

101  
102 Yes.  
103  
104 I understand.
