

1 Recovered Memory #2:  
2 "Revali's Flap"

3  
4 Revali

5  
6 Impressive, I know.

7  
8 Very few can achieve a mastery of the sky.

9  
10 Yet I have made an art of creating an updraft  
11 that allows me to soar.

12  
13 It's considered to be quite the masterpiece of aerial  
14 techniques, even among the Rito.

15  
16 With proper utilization of my superior skills,  
17 I see no reason why we couldn't easily  
18 dispense with Ganon.

19  
20 Now then, my ability to explore the firmament  
21 is certainly of note...

22  
23 But let's not—pardon me for being so blunt—

24  
25 let's not forget the fact that I am the most  
26 skilled archer of all the Rito.

27  
28 Yet despite these truths, it seems that I have been  
29 tapped to merely assist you.

30  
31 All because you happen to have that little darkness-  
32 sealing sword on your back.

33  
34 I mean, it's just...asinine.

35  
36 Unless...you think you can prove me wrong?

37  
38 Maybe we should just settle this one on one?

39  
40 But where...? Oh, I know!

41  
42 How about up there?!

43  
44 Oh, you must pardon me.

45  
46 I forgot you have no way of making it  
47 up to that Divine Beast on your own!

48  
49 Good luck sealing the darkness!
