

1 Recovered Memory #6:
2 "Urbosa's Hand"

3
4 Urbosa

5
6 Ah, well...you certainly got here fast.

7
8 I should have expected as much, from the princess's
9 own appointed knight.

10
11 She was out on a survey all day today.

12
13 Still as the sands now...

14
15 So...? Spill it, boy.

16
17 Have the two of you been getting along all right?

18
19 It's OK...

20
21 I know.

22
23 Your silence speaks volumes.

24
25 She gets frustrated every time she looks up and sees
26 you carrying that sword on your back.

27
28 It makes her feel like a failure when it comes
29 to her own destiny.

30
31 Don't worry, it's not like you carry blame
32 in any of this.

33
34 It's unfortunate.

35
36 She's put in more than enough time.

37
38 Ever since she was a young girl, she's gone through
39 rigorous daily routines to show her dedication...

40
41 She once passed out in the freezing waters trying to
42 access this sealing power.

43
44 And she has nothing to show for it...

45
46 That's the motivation driving her research.
47 I'd be doing the same thing.

48
49 She really is quite...special.

50
51 You be sure to protect her with your life.

52
53 It's quite the honor.

54
55 [...]

56
57 The night brings a chill...

58
59 It's probably time we take her in.

60
61 [...Hn...?]

62
63 [Or...]

64
65 Princess Zelda

66

67 Urbosa! What was that?!
68
69 Did you feel that?!
70
71 [...]
72
73 Wait, what-how did you-
74
75 what are you doing here?!

76
77 Urbosa

78
79 *laughs*

80
81 Princess Zelda

82
83 Wh-what's so funny?
